How Do I Apply for Benefits?

Step 1. Fill out the application.

Frequently Asked Questions

How long does it take to get benefits?

SNAP: up to 30 days
 TANF: up to 45 days
 Medicaid: 10 to 90 days

You may be able to get SNAP within 7 days if you qualify. See page 6.

How much will I get?

Your income, resources, and family size determine benefit amounts. We will be able to give you specific information once we determine your eligibility.

How will I get my benefits?

For SNAP, you will get an Electronic Benefit Transfer (EBT) card to access your benefits. For TANF, you will get a Way2Go Debit Mastercard to access your benefits. For Medicaid, you will receive a Medicaid card for each eligible member.

You may be asked to provide the following information:

- Proof of identity for the applicant if applying for SNAP and/or TANF. An identification card (ID) or driver's license (DL) is an acceptable form of verification. Proof of Identity is not required for Medical Assistance applicants.
- Proof of US citizenship/qualified immigrant status for everyone requesting benefits. If you are applying for Emergency Medical Services (EMA) only, you do not have to provide your SSN or information about your immigration status.
- Social Security numbers of everyone requesting assistance.
- Proof of income *for example*, pay stubs, child support payments, and income award letters. Proof of child support payments is not needed for Medical Assistance applicants.
- Proof of expenses like childcare receipts, medical bills, medical transportation costs, rent/mortgage costs, and child support payments. This information is not required for Medical Assistance applicants.

We will first attempt to verify citizenship/immigration status and income information through electronic data sources. Paper verification documents are not required to submit an application; however, you may provide the documents with the application. If we are unable to verify through electronic data sources and you need help getting this information, please tell us.

Application for

Mail, fax, or bring in pages 3-16 of this application to your local Division of Family & Children Services (DFCS) office. You can locate your local office at <http://dfcs.georgia.gov/locations>.

If you or the person for whom you are applying is eligible for benefits, SNAP benefits will be provided from the date we receive the application with your name, address, and signature on it. TANF benefits will be provided from the date the application is approved.

If you are applying for SNAP, TANF and/or Medicaid, you can file an application for benefits with only your name, address, and signature. However, it may help us to process your application quicker if you complete the entire form. You may use this form to file a joint application for more than one program or for SNAP only. Your SNAP application will not be denied solely on the basis that your application for another program has been denied. We will make a separate eligibility determination for your SNAP application. If you are in an institution and applying for SNAP and SSI at the same time, the filing date of your application is the date you are released from the institution.

Step 3. Talk with us.

You may need to complete an interview with a worker. If so, we will give you an appointment. This interview can be completed by phone.

How do we use the applicant's personal information?

You only have to provide Social Security Numbers (SSN) and citizenship or immigration status for persons who want to apply for benefits. This information will be used to check the income and eligibility verification system (IEVS). We will also match your information against other Federal, state, and local agencies to verify your income and eligibility, to track wage information and participation in work activities. If a household member does not want to give us information about their SSN, citizenship or immigration status, other household members may still receive benefits. If you are applying for emergency medical services only, you do not have to provide your SSN or information about your immigration status.

Can someone else apply for me?

For SNAP and Medicaid, you may ask someone to apply for you.

For TANF, anyone can apply but the parent or caretaker, or pregnant individual must be interviewed.

Tell Us about the Applicant and All Household Members

For Medical Assistance applicants: Please include yourself, your spouse, your children (including stepchildren) under 21 who live with you, your unmarried partner who needs health coverage, anyone you include on your tax return, even if they do not live with you, and anyone else under 21 who you take care of and lives with you. You do not have to include your unmarried partner who does not need health coverage, your unmarried partner's children, your parents who live with you but file their own tax return (if you are over 21), or other adult relatives who file their own tax return. If you are applying for Emergency Medical Services (EMA) only, you do not have to provide your SSN or information about your immigration status.

Please fill out the chart below about the applicant and all household members. The following federal laws and regulations: The Food and Nutrition Act of 2008, 7 U.S.C. § 2011-2036, 7. Anyone who is living in your household and is not applying for benefits may be treated as a **non-applicant**. Non-applicants do not have to give us information about their social security number, citizenship, or immigration status and are not eligible for benefits. Other household members may still be able to receive benefits if they are otherwise eligible. If you want us to decide whether any household members are eligible for benefits, you will still need to tell us about their citizenship or immigration status and give us their social security number (SSN). You will still need to tell us about **their** income and resources to determine the eligibility and benefit level of the household. We will not report any non-applicant household members to the United States Citizenship and Immigration Services (USCIS) Systematic Alien Verification for Entitlements (SAVE) system if they do not give us their citizenship or immigration status. However, if immigration status information has been submitted on your application, this information may be subject to verification through the SAVE system and may affect the household's eligibility and benefit level. We will match your information with other Federal, state, and local agencies to verify your income and eligibility. This information may also be given to law enforcement officials to use to catch people who are running from the law. If your household has a SNAP claim, the information on this application, including SSN, may be given to Federal and State agencies and private claims collection agencies for them to use in collecting the claim. We will not deny benefits to applicant household members because other household members fail to provide their SSN, citizenship, or immigration status.

Notice of ADA/Section 504 Rights

Help for People with Disabilities

The Georgia Department of Human Services and the Georgia Department of Community Health (“the Departments”) are required by federal law* to provide persons with disabilities an equal opportunity to participate in and qualify for the Departments’ programs, services, or activities. This includes programs such as SNAP, TANF and Medical Assistance.

The Departments provide reasonable modifications when the modifications are necessary to avoid discrimination based on disability. For example, we may change policies, practices, or procedures to provide equal access. To ensure equally effective communication, we provide persons with disabilities or their companions with disabilities communication assistance, such as sign language interpreters. Our help is free. The Departments are not required to make any modification that would result in a fundamental alteration in the nature of a service, program, or activity or in undue financial and administrative burdens.

How to Request a Reasonable Modification or Communication Assistance

Please contact your caseworker if you have a disability and need a reasonable modification, communication assistance, or extra help. For instance, call if you need an aid or service for effective communication, like a sign language interpreter. You may contact your caseworker or call DFCS at (877) 423-4746 or the DCH Katie Beckett (KB) Team at 678-248-7449 to make your request. You may also make your request using the DFCS ADA Reasonable Modification Request Form, which is available at your local DFCS office or online at <https://dfcs.georgia.gov/adasection-504-and-civil-rights>, or you may obtain the DCH ADA Reasonable Modification Request Form at the KB office, online at <https://medicaid.georgia.gov/programs/all-programs/tefrakatie-beckett>, or you may email your modification request to DCH.ADAassistance@dch.ga.gov.

How to File a Complaint

You have the right to make a complaint if the Departments have discriminated against you because of your disability. For example, you may file a discrimination complaint if you have asked for a reasonable modification or sign language interpreter that has been denied or not acted on within a reasonable time. You can make a complaint orally or in writing by contacting your case worker, your local DFCS office, or the DFCS Civil Rights, ADA/Section 504 Coordinator at 47 Trinity Avenue SW, Atlanta, GA 30334, (877) 423-4746. For DCH, contact the KB Team ADA/Section 504 Coordinator at 2211 Beaver Run Road, Suite 150, Norcross, GA 30071 or P.O. Box 172, Norcross, GA 30091, (678) 248-7449. The DCH email is: dch.adarequests@dch.ga.gov.

You can ask your case worker for a copy of the DFCS civil rights complaint form. The complaint form is also available at <https://dfcs.georgia.gov/adasection-504-and-civil-rights>. If you need help making a discrimination complaint, you may contact the DFCS staff listed above. Individuals who are deaf or hard of hearing or who may have speech disabilities may call 711 for an operator to connect with us. The email for DCH Civil Rights complaints is: dch.civilrights@dch.ga.gov. The link for the DCH Civil Rights process and complaint form is located at: <https://dch.georgia.gov/adasection-504-and-civil-rights>.

You may also file a discrimination complaint with the appropriate federal agency. Contact information for the U.S. Department of Agriculture (USDA) and U.S. Department of Health and Human Services (HHS) is within the “Nondiscrimination Statement” included within.

**Section 504 of the Rehabilitation Act of 1973; Americans with Disabilities Act of 1990; and the Americans with Disabilities Act Amendments Act of 2008 ensure persons with disabilities are free from unlawful discrimination.*

Under the **Department of Community Health (DCH)** policy, the Medical Assistance programs cannot deny you eligibility or benefits based on your race, age, sex, disability, national origin, or religion.

Programs that receive federal financial assistance from the U.S. Department of Health and Human Services (HHS), such as Temporary Assistance for Needy Families (TANF), and programs HHS directly operates are also prohibited from discrimination under federal civil rights laws and HHS regulations.
