**DISCUSSION**

**Chapter 1200**

**Section 1210-** This is a new section. This section covers the new policy on Grandparents Raising Grandchildren (GRG). Many grandparents have taken in their grandchildren and raise them in their homes. Georgia has recognized this new trend and created ways in which to assist these grandparents as their grandchildren transition into their homes. The GRG cash assistance is allowed for grandparents who are 60 years or older or at any age and disabled, have a total household income that is under 160% of the Federal Poverty Level (FPL) and present a need that is verified.
